

Product Upgrade Notice

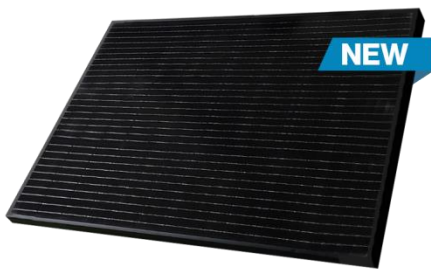

Exciting Upgrade! Same Price, Enhanced Product! - Solar Panel Upgrade within Existing Solar Battery Plus Package

Dear Valued Customer,

We hope this email finds you well. We are excited to inform you about an important upgrade within our existing Solar Battery Plus package, which we believe will enhance your overall experience, and the best part is that you can now purchase the enhanced version at the same price as before.

At RAKwireless Technology Limited, we are committed to continually improving our products to meet your evolving needs. After careful research and development, we have successfully upgraded the Solar Panel from Polycrystalline Silicon Solar Panels to Monocrystalline Silicon Solar Panels, ensuring even better performance and reliability.

With this upgrade, you can expect a more modern look and higher efficiency. These new panels are not only more efficient but also more durable, promising extended service life.

Monocrystalline Silicon Solar Panel
795 x 580 x 30 mm

Polycrystalline Silicon Solar Panel
730 x 670 x 30 mm

Product Specifications:

The attached specifications detail the features of the new 80W-20.5V Monocrystalline Silicon Solar Panels, including:

- Enhanced solar cell efficiency: over 23.5%
- Sleek dimensions and modern materials
- 25-year lifespan with robust warranty terms
- Comprehensive certifications: CE, IEC61215, ISO9001:2015, RoHS

We believe that this enhancement will greatly enhance your overall satisfaction and make your experience with our product even more enjoyable.

Rest assured, despite the significant improvements, we have decided to keep the price unchanged. Our goal is to provide you with the best value for your investment, and we are thrilled to offer these improvements at no extra cost.

We understand that you may have questions or require further information about this upgrade. Please feel free to contact our dedicated customer support team at inquiry@rakwireless.com for any inquiries you may have. They are well-equipped to assist you and provide any additional details you may need.

We want to thank you for choosing our product. Your satisfaction is very important to us, and we are committed to providing you with the best possible experience.

Thank you for your continued trust and support. We look forward to serving you with our upgraded product and providing you with an even better experience.

Best regards,
RAKwireless Technology Limited
